THE LEXINGTON CEMETERY.

HISTORICAL SKETCH.

THE successful establishment of Public Cemeteries in this and other States turned the attention of some of our citizens to the subject, and in February, 1848, an Act to incorporate a Cemetery Company was obtained.

The following year, January 23d, 1849, at an accidental meeting of Messrs. M. T. Scott, Benjamin Gratz, M. C. Johnson and Richard Higgins, it was resolved that M. C. Johnson draw up a subscription paper, and each one use every exertion to procure subscribers for the purpose of purchasing a suitable site for a Cemetery, and for inclosing and laying out the same. By the exertions of those gentlemen, the following were the list of subscribers obtained, each one subscribing the sum of five hundred dollars.

SUBSCRIBERS.

M. T. Scott,	A. T. Skillman,	R. J. Breckenridge,
M. C. Johnson,	E. K. Sayre,	Benj. Warfield.
Benjamin Gratz,	Robert Wickliffe,	E. Warfield,
Richd. Higgins,	T. Hemmingway,	G. W. Sutton,
S. Swift,	J. B. Tillford,	John Brand,
Joel Higgins,	J. Lutz,	H. T. Duncan,
David A. Sayre,	D. M. Craig,	Edward Macalister,
John Tilford,	A. F. Hawkins,	James M. Bush,
Thomas E. Boswell.		

After the necessary sum was subscribed, the subscribers met according to appointment, January 27th, 1849, at the office of M. C. Johnson. Present:—Messrs. Brand, Skillman, Breckenridge, Duncan, Gratz, J. B. Tillford, Hemmingway, Macalister, B. Warfield and Lutz.

On motion of Dr. R. J. Breckenridge, Mr. John Brand was called

to the chair, and Richard Higgins appointed Secretary. The Charter, which had been procured, was read, and, on motion of M. C. Johnson, a Committee was appointed to look out a suitable piece of land for the Cemetery, and to ascertain the price, etc.

Messrs. Duncan, Warfield, Skillman, Lutz, Sutton and Higgins, were appointed said committee.

On motion of Mr. Gratz, the meeting was adjourned to meet again February 3d, 1849.

On February 3d, 1849, the subscribers again met, when the committee appointed to look out a suitable site, reported that they had visited T. E. Boswell's woods, Mrs. Cooper's, Frank McCalla's, Geo. Thompson's, and a piece of land owned by Hawkins' heirs, called the Rigg place. On motion, time was given said committee to examine further, which resulted in the selection of T. E. Boswell's woods, containing forty acres, which was purchased at the price of \$7,000.

At a meeting held in March following, for the purpose of electing seven Trustees to serve five years, the following gentlemen were elected:—Messrs. A. T. Skillman, J. Lutz, H. T. Duncan, M. C. Johnson, R. Higgins, B. Gratz and E. Macalister. The first meeting of this Board of Trustees took place March 15th, 1849, at the office of M. C. Johnson, when A. T. Skillman was elected President of the Board of Trustees, Richard Higgins, Secretary, and M. T. Scott, Treasurer.

Of the above officers, two already rest in peace, in the places which they had chosen in their life-time. From the establishment of the Cemetery until their death, they were faithful, efficient and indefatigable in promoting the best interests of the Cemetery Company, and, with the assistance of the surviving officers and trustees, were instrumental in bringing it to its present prosperous condition.

The Cemetery was dedicated in June, 1850, with appropriate solemn ceremonies, and an address by the Rev. Dr. R. J. Breckenridge, which is intended to be published.

The following ode, composed for the occasion by the late Professor P. S. Ruter, of Transylvania University, was sung before the dedication address:

DEDICATION ODE.

Not with rude and busy noises,
As when living homes we rear,
Nor with sound of gladsome voices,
Hither we this day repair;

But with hearts in sadness swelling,
 Come we, by fond mem'ries led,
 Here to consecrate a dwelling
 For the loved, departed dead.

Spirits now may round us hover,
 Of lost friends we loved before,
 But to them life's dream is over,
 And we meet on earth no more.
 Angel-voices seem to call us
 From the green sod where they lie,
 Mem'ries of the past enthrall us,
 Memories that can not die.

Here, with freshened recollection
 Of the fate we too must share,
 Those we loved with fond affection
 To their final home we bear.
 Here, removed from life's wild riot,
 Freed from earthly care and pain,
 They shall sleep in dreamless quiet,
 Till recalled to life again.

Here will Spring fresh flowers be wreathing
 Round each green enameled spot,
 Summer roses will be breathing,
 But the sleepers know it not.
 Autumn's trophies will be lying,
 Scattered round each marble urn,
 Winter winds be sadly sighing,
 O'er the dead who ne'er return.

But though now they're taken from us,
 Called from scenes of earth away,
 Still we trust the heavenly promise
 Of a future rising day.
 O thou God! our Friend and Father!
 May the names these grave-stones bear,
 When we all shall rise together,
 In thy Book of Life appear.

May 30th, 1850, a committee was appointed to prepare suitable By-laws, Rules and Regulations for the Company. The committee consisted of Messrs. Gratz, Duncan, Macalister, Skillman and Higgins.

A meeting of the lot-holders took place June 3d, 1854, at the City-hall, for the purpose of electing trustees.

J. C. Butler and I. W. Scott having been previously chosen Judges to conduct said election, reported the following gentlemen were unanimously elected:—Messrs. A. T. Skillman, B. Gratz, H. T. Duncan, J. M. Bush, E. Macalister, M. C. Johnson and R. Higgins.

November 29, 1858, J. C. Butler was elected Chairman of the Board of Trustees, and E. D. Sayre, Treasurer, to fill the vacancies caused by the death of A. T. Skillman and M. T. Scott. Mr. Butler resigned August 23d, 1859, and October 1st, Mr. Richard Higgins was unanimously elected Chairman of the Board of Trustees.

The Institution is constantly increasing its attractions, and growing in favor with our citizens.

Of the act of incorporation, the prominent features are as follows:

“That purchasers of lots acquire not merely the privilege of burial, but also the fee simple of the ground which they purchase.

“That they are the sole proprietors of the Cemetery.

“That by their vote in the election of Trustees, they control the government of the Institution.

“That as all the receipts of the Institution must be expended in the purchase, improvement and preservation of the grounds, no speculative interest can conflict with the wishes of lot-owners respecting its management.

“That as all the resources will be thus appropriated, either immediately, or in the ultimate formation of a fund, the interest of which shall be appropriated, as required, for the perpetual embellishment and preservation of the grounds.

“That as the ground is exempt from liability for debt, the proprietors can never be forcibly deprived of their ground.”

ACT OF INCORPORATION.

But the said corporation may permit their Superintendent or other officers, to use that portion of their grounds and buildings not sold for burial lots, for horticultural purposes: *Provided*, the same is used in a manner not inconsistent with the reverence and respect due the Cemetery of the dead. The said grounds, fixtures, shrubbery and every thing growing therein, shall always be subject to State revenue, but shall not, after the ground has been fully paid for, be subject to be levied on or sold, by judgment, execution or decree, for any other debt or cause whatsoever. No road or passway shall be opened through said grounds, unless by the consent of the Company. The said Company may receive and take by devise or bequest, any legacies that may be devised to them to be appropriated solely and exclusively to the ornament and improvement of said Cemetery grounds, and may vest in State stocks, or loan out any spare funds that, from time to time, they may have, but they shall never exercise or attempt to exercise any banking powers.

SEC. 2. A majority of the above named persons, or of the survivors of them, shall have full power and authority to appoint a Board of seven Trustees, who shall elect one of their own number as chairman; said Trustees shall remain in office until their successors are

qualified, and have power to fill any vacancies that may occur in their body, by death, resignation or removal. The term for which the first Board of Trustees shall serve, shall be designated and limited by those who appoint them, as above. After the first Board of Trustees have been appointed as above, and have qualified, they, and their successors in office, shall exercise all the corporate powers of the corporation. The seven Trustees shall afterward be elected once in every five years, by a majority of the shareholders who vote, due notice of the time and place of voting being first given, by publication of four successive weeks, in one of the newspapers published in Lexington; and the election shall be conducted by Judges appointed by the Board then in office. The Trustees, thus elected, shall remain in office five years, and until their successors are qualified. If any thing should prevent an election within the prescribed time, a majority of the Trustees in office shall have the power; and it shall be their duty to call a meeting for, and cause an election of their successors, as soon afterward as convenient.

The Trustees shall, at all times, have the power to fill any vacancy that may occur in the Board, by death, resignation or removal. Death or removal from the county of Fayette, or resignation, shall vacate the seat of a Trustee. Four Trustees shall constitute a quorum for the transaction of business. Each person owning burial lots to the value of twenty-five dollars, shall be regarded as holding a share, and each share shall entitle the holder to one vote in the election of Trustees; but no person or body corporate shall be entitled to cast more than ten votes. When a share is vested in several persons, a majority of those present at the time of voting, in whom the legal title is to such share, shall be entitled to cast such vote. The Trustees shall keep a regular record of their proceedings, and of all sales, transfers and disbursements; and shall always preserve an accurate map and survey of the ground and lots, and have the same recorded in the Clerk's office of the Court of Appeals, or of the Fayette County Court. Each Trustee shall, before he enters on the duties of his office, make oath before some officer competent to administer the same, that he will faithfully and impartially discharge the duties of a Trustee, according to the best of his abilities, and will not be influenced in his conduct as Trustee, by sectarian or political partialities.

SEC. 3. As soon as the ground is purchased and the Trustees

have qualified, they shall have power to lay out and ornament the same; and from time to time, alter, repair and add such buildings and fixtures as may be necessary for the use or ornament of the Cemetery grounds; and for this purpose, and for the purpose of defraying the incidental expenses of the corporation, shall apply the funds belonging to the same. They shall have power to lay off, sell and convey burial lots, either at public or private sale; to make, from time to time, by-laws and regulations for the control, management and care of the Cemetery grounds and graves, and the mode of ornamenting the same, and regulate the mode in which bodies shall be interred, and make such other by-laws and regulations as may be necessary for the purposes of the corporation; they shall have full power to enter upon, and remove any ornaments, fixtures or shrubbery that may be placed on or around the graves, against the by-laws or regulations of the corporation; they shall have the power to appoint, from time to time, such Superintendent and other officers as they may think necessary, and take from them such bond as may be required. The proceeds of the sale of lots, and all money that may come to the corporation from any other source, shall be applied, first to reimburse those who have made advancements for the original outlay purchase of the establishment, and shall afterward, in all time to come, be applied to ornament and improve the ground and defray incidental expenses.

SEC. 4. When a burial lot is purchased, the Trustees shall give a certificate thereof, under the seal of the corporation, which shall vest the purchaser with title. This title may be transferred according to such rules and regulations as may be prescribed by the by-laws of the corporation, but in no other manner. If not transferred by the grantee, it shall descend or pass, by devise, as other real estate. Such lots shall never be used for any other purposes than burial lots, and if applied to any other use, the title shall revert to the corporation.

SEC. 5. If any person shall, forcibly and without lawful authority, violate any of the graves of the dead, or deface any of the tombstones, monuments or inclosures, or injure any of the grounds, shrubbery, fixtures or buildings, or in any manner damage the grounds of the corporation, such person or persons so offending, besides being liable to an indictment for a misdemeanor, and punishable according to the discretion of a jury, shall be liable to the corporation in an

action of trespass; and the damages when recovered, shall be applied by the corporation to restore, as far as possible, any injury that has been done.

APPENDIX.

REPORT FROM THE SUPERINTENDENT.

To the Chairman and Trustees of the Lexington Cemetery.

GENTLEMEN: I beg leave to present a few suggestions for your consideration, as being in my opinion necessary to be adopted.

SEC. 9. Of the Rules and Regulations for proprietors of lots, requires, that they place and keep in repair permanent landmarks of their respective lots. Fencing is, I am gratified to state, not now appreciated by lot owners. Corner-stones are much more appropriated. I would therefore recommend that corner-stones with the number of the lot and letter of the section engraved on each, be used for the purpose of permanent landmarks, and that hereafter when a lot is sold, the Cemetery Company shall have stones placed at each corner of the lot sold, as early as practicable afterward. The stones to be permanent ought to be at least two feet six inches in length, two feet below the surface, and six inches above ground, the portion above ground to be dressed down to six inches square, with the letter of the section and number of the lot cut on the top of the stone, by this arrangement every one could find their lot and the boundaries of it without difficulty, this arrangement would also harmonize better with the requirements of the Cemetery, and be economical to individual lot owners, and to the association as a body.

To lot owners I would suggest that they use the utmost care in the selection of their sepulchral devices, headstones especially I wish to draw their attention to. When monuments are erected or intended to be erected, I would suggest that the headstones at each grave be made not more than fifteen inches in height, with only the name put on the stone, and all other inscriptions on the monument, and dispense with the use of foot-stones altogether, which are an unnecessary appendage; the grave-mound is a monument of itself sufficient to mark the place without foot-stones,—this arrangement will give a lot more the appearance of what it ought to be, a family burial lot, and not allow marble to usurp the place of good taste. Many from taste, and others from limited pecuniary means, use simply the headstone. In the selection of these I would recommend a little more inquiry and examination before ordering them, when I think very little argument would be necessary to show that the cubical contents of a head-stone four feet high and two inches thick, put in a stone two feet high, will be more durable and in better taste; and if put in a good heavy base stone, resting on a foundation reaching below frost, they will stand erect, which is not the case, I am sorry to state, with a great many erected; they are mere excuses for what they ought to be, and it is impossible to keep them in a perpendicular position, which gives the lot a neglected appearance, and the Cemetery far from the appearance it might have if the selections were made with a view to neatness and durability.

C. S. BELL,

Sup't at Lexington Cemetery.
